THOMAS JEFFERSON HIGH SCHOOL VOL. IV MCMLX

MY NAME'S PAN . . .

... and I'm going to let you in on the latest from Olympus, like hot from zot, man. Let me tell you, these Greeks and Romans were no squares, not even old Euclid. Some of their ideas were ... well ... gelidus, man. (That's cool, to the uninitiated, dad.) So you thought this myth jazz is way out? Let me just show you how much we've got here at Thomas Jeffersonville. Let's just take a little stroll through our pad, while I spin the skintchiest

bit of all-myths for the New Intellect, like . . .

HERE'S PANic

... THAT'S "ALL," BROTHER!

THERE'S CULTURE, MAN...

CLASSIC,

Yes, we are classic here at Jefferson—we believe as did the Greeks and Romans, that to develop "Mens Sana in Corpore Sano"—"A Sound Mind in a Sound Body" should be the goal of education. Here we stress culture in all its aspects—and evidence that we are succeeding is pictured on these pages. As further proof, we may proudly announce Jefferson's selection as one of the one thousand schools in the nation to participate in "Project Talent," a twenty-year scientific census research program in which the effectiveness of our educational program will be evaluated. Truly, this is a measure of classicism.

PHYSIGS: The MIT class studies sound waves.

ENGLISH and the ARTS: Field trips to the theatre, here Shake-speare's OTHELLO, enrich the curriculum.

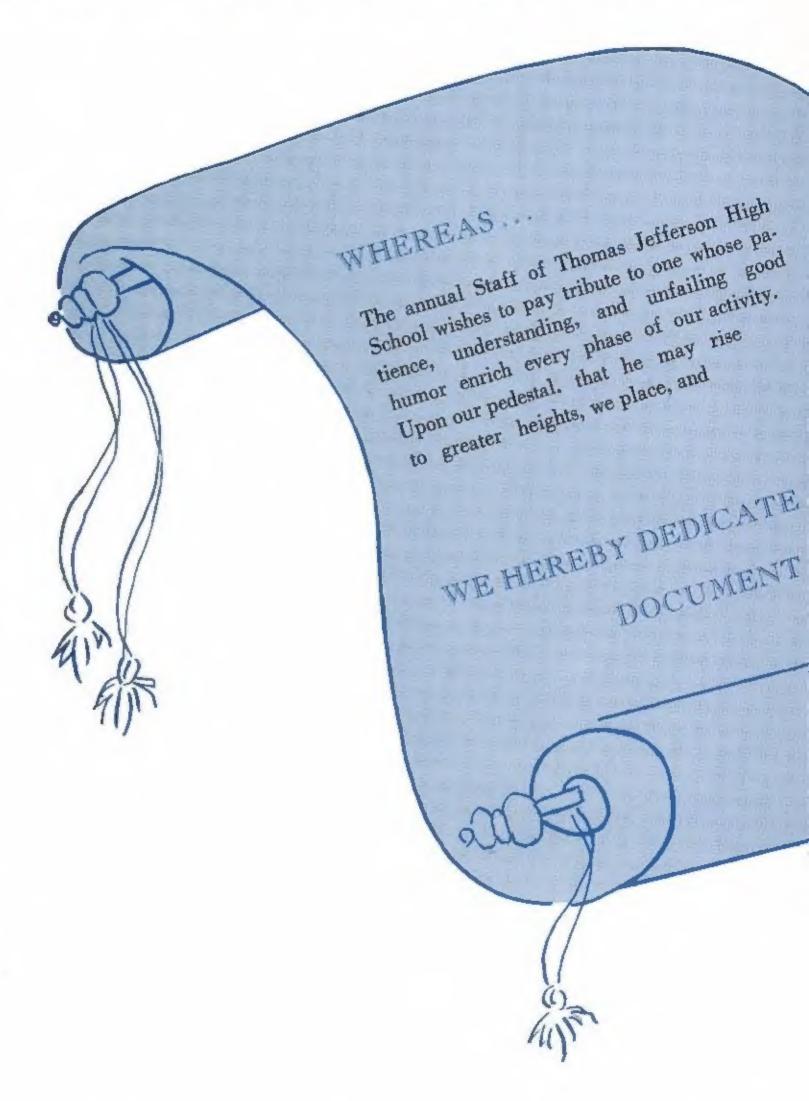

CHEMISTRY: Charles Dedmon, Newton Hammet, and Jim Atkinson received national recognition in the Westinghouse.

AND THE LANGUAGES: "When in Rome..." or at Jefferson—one finds that the classics LIVE!

THE JUDGMENT OF

Once upon a time in Olympusville there arose a great dispute between

Juno, Minerva and Venus as to who was fairest. They called upon a shep-herd lad named Paris for help, because

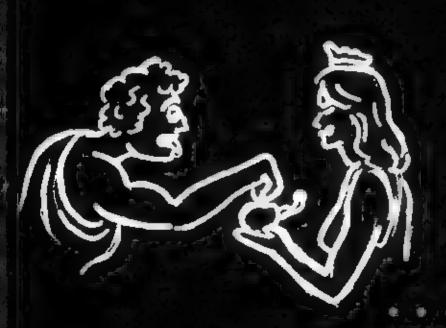

he was a rare lad. "I'll give you wisdom," said Minerva. "I'll give you power," said

PARIS

Juno. "Well," said Venus, "How'd you like to have the coolest doll in the whole world? I mean, way out!" "You win!" chortled Paris, "because what I like best about chicks is their . . .

THE ANNUAL VALENTINE BALL

"Valentine With Venus"

"Friends, Romans, Rebels, lend me your ears!" so intoned our lyv cague "announcerius," Sam Carpenter, to open this year's Annual Valentine Ball, "Valentine with Venus." Following the tra dition of holding the Sweetheart's coronation as a Valentine celebration with a different slant, the staff concocted a little Roman orgy for the 1960 enterprise. Nominees were presented in the auditorium in a classic setting, complete with temple. Amidst much gaudium, Patty Goldammer was announced queen Venus, to reign over the festivities of the dance following in the gymnasium, or Circus Minimus to the intelligensia. Featured at the ball was the highly-publicized "Squariot (square chariot, of course) Race," our own rendition of "Ben Herse." As there were no casualties and as everyone seemed to have found his own Valentine, the evening was a great success.

Lady Becky Ransdell curtsies, assisted manfully by Escort John Reagan.

HOMECOMING HIGHLIGHTS

Jefferson celebrated its second annual Homecoming by defeating Woodrow Wilson and presenting the 1959 Princesses, Patsy Gumm, Jean Teel, Patty Myers, Beverly Maxcy, Diane Dodson. Each of the girls was presented in convertibles to the enthusiastic crowd and received Homecoming mums from Rebel football players. Neal Bright, Red Rogers, Bobby Glen Wright, Norman Clark, and Orville Hudson. The following night, a pageant in the auditorium represented a fairyland fantasy as Jean Teel was crowned queen. Afterward, her majesty reigned over the homecoming dance.

Princess Patty Myers is presented to the cheering crowd.

A Homecoming mum is pinned on Princess Beverly Maxcy.

Hooray, already! We win the game!

Princess Diane Dodson has a tight hold on escort Kelly Hudson.

The suspense is over! Queen Jean Teel is crowned.

Princess Patsy Gumm gracefully curtsies before the audience.

"Memories are made of this . . ." says last year's Queen Janie Austin.

THE STORY

There was once a most determined cat by the name of Jason, whose main desire was to latch onto a certain fleece

because it was golden.

So he set sail for Colchis, the sheep's pad, with a neat fleet called the Argonauts.

ORGANIZATIONS

NEAL BRIGHT President

The Thomas Jefferson Student Council is the coordinating body for all student activities. The first major fall project this year was the staging of the second annual Homecoming. Our "Exes" returned to witness the crowning of the Homecoming Queen and represent their colleges at the dance which followed. Other fall projects included the collection of Thanksgiving baskets for needy families, the production and distribution of Student Handbooks, and, of course, the beautiful Christmas Formal.

Spring activities featured the Spring Frolic, an officers' workshop in Amarillo, and the planning of the traditional graduation festivities.

NATIONAL HONOR SOCIETY ☐

The National Honor Society has four ideals: Service, Leadership, Character, and Scholarship. These ideals are the foundations upon which this society was begun and will continue to grow. The Thomas Jefferson branch of the National Honor Society is composed of very select junior and senior students who strive to live up to these ideals, thus setting an example for the school. Election to the National Honor Society is indeed the highest ideal to which a student may aspire.

SPANISH HONOR SOCIETY ____

To recognize high achievement in Spanish by students of secondary schools and to encourage further interest in Hispanic studies is the purpose of the Spanish Honor Society. The society is sponsored by the American Association of Teachers of Spanish and Portuguese. The Chapter at Thomas Jefferson High School, named for Jose Vasconcelos

well-known author and the creator of Mexico's system of public education, was organized in the spring of 1958. The motto, "Todos a una," which translated means "All together," reminds that a language is a strong tie between persons of differing origins of race or religion.

"Tomorrow we've GOT to get organized" Despite the fact that there were two Kristells plus Walls, Organizations Editor Ann Bonnick comes up with the inevitable "Ann Nonymous" in a group or two.

"His name just couldn't be Blfxgh!" Becky Ransdell and Donna Alexander fight the class section down to the last letter.

DOCUMENT

"WHERE is that proportion wheel?" "Unhand that grease pencil, Herries!" "BLACKSHEARUS!!!" Fainthearted students avoid the halls around room 219 at deadline time, wisely estimating that they may be run over by a desperate annual staffer clutching at anything or anybody that might be sent to the publisher. At other times of the year, however, annual photographers are popular people and willing subjects are numerous. The staff room is perpetually a scene of organized confusion, which, declare the various editors, all means something. (Probably it means that the editors are confused!) Nevertheless, here is another edition of THE DOCUMENT of which the staff feels the student body may be proud. We hope that it is as well-received as its predecessors have been, for every volume of THE DOCUMENT published to date has won high honors in every contest in which they have been entered. May this DOCUMENT prove a source of enjoyment in years to come.

DON DALTON, Editor

One of the major enterprises of the year is the Annual Sweetheart Dance. This year's theme, "Valentine with Venus," afforded many fun-filled opportunities, such as the "Squariot" (Square Chariot, of course) Race here put together by Bill Herries, Vin Scheihagen, and Mike Hulme.

SPORTS DEPARTMENT: Bill Wilkinson and Sam Carpenter, out for a letter in Scooter.

STAFF, more or less composed: Front Row: Bill Herries, Mike Hulme, Byron Davey. Row 2: N. Harrison, Becky Ransdell, Donna Alexander, Nancy Clements, Carol Crosby. Row 3: Don Dalton, Diane Dodson, Kristell (2), Anne Walters, Mary Lou Beaird, Martha Ann Walls, Ann Bonnick. Row 4: Sam Carpenter's eyeballs, Tom Wilder, Volney Launey, John Hammond, Tommy Jones, Bill Wilkinson, Lee Hughes, Vin Scheihagen. At rest: Augustus Troy Blackshearus.

"I just don't have any faculty for this section," says Faculty Editor Mary Lou Beaird to weary sponsor.

"Now let's see, who's going to win the Beauty Contest?"
Completely unbiased selectivity is exercised by Diane
Dodson and Nancy Clements as they supervise one of the
many annual endeavors.

"Well, we just can't afford an annual this year," say business staffers Gus Blackshear and Volney Launey, as good old, All-purpose Jones looks on and learns the ropes.

NEW STAFF MEMBERS clean up the annual: Lee Hughes, Tom Wilder, Byron Davey and Carol Crosby on the mop-up committee, as Anne Walters practices for a supervisory capacity. John Hammond lends much muscle power to the staff.

With the publication of the first edition of THE DOCUMENT, a tradition was established to recognize those whose contributions to its success proved especially outstanding. THE DOCUMENT Award honors not only journalistic achievement, but also unselfish service and willingness to perform beyond that which is expected. Seven charter members were elected; in their honor, no more than seven elections in any one year will be recognized. It is hoped that each successive group will live up to the standard of excellence begun by the first, and continued by the following awardees.

FUTURE TEACHERS

The search for high ideals and study in institutions of higher learning constitute much that is basic in the founding of FTA. Our chapter of FTA strives to enable students to learn more about the teaching profession through films, discussions, talks by outstanding educators, and association with teachers at Jefferson. It is hoped that many of our members will meet the challenge of teaching with a better understanding of their chosen profession.

OFFICE ASSISTANTS

Both of our offices are dependent upon the efficient student assistants who carry out the innumerable errands necessary to the administration of a school the size of Jefferson. Attendance office workers pick up the daily reports, deliver call slips, and answer the telephone; Mrs. Angell needs their help in answering the questions of students and parents, in conducing tours, in taking messages to teachers, and in typing and making reports.

ICE SKATING CLUB

OFFICERS: Ray Norton, President; Patty McShane, Treasurer; Beverly Brown, Secretary; Steve Miller, Vicepresident.

The Ice Skating Club is composed of those members of the student body who enjoy sprawling on the hard ice and having a finger cut off by some passerby. Since frozen ponds are few and far between in the Southland, every Tuesday the members make the trek to the Ice Arena and pursue their enjoyable pastimes.

"Somebody poured ink in my rubber plant again!"

A wonderful group of persons, who with a bit of crepe paper and cellophane tape can transform a gym into a ballroom for a dance, the Art Service Club is responsible for all the added touches of beauty at dances, plays, and musical productions during the school year.

The Art Service Club credited itself as excellent

with the Senior Play stage-setting, and did wonders with the decorations for the Annual Valentine Dance, Valentine with Venus. However the most spectacular of the Art Service Club's contributions was the professional quality of the scenery for the musical production of Oklahoma, presented by the chorus.

THESPIANS ____

Thomas Jefferson's Speech Club is a highly selective organization which coordinates the speech and drama activities of the school. Thespians have represented their club well in the many dramatic productions staged this year, as well as providing the make-up crew for DEAR RUTH and OKLAHOMA. Thespians have also represented their school in speech contests at Hillcrest, Bryan Adams, Adamson and Denton. Among other honors received by Thespians, Peggy Jessup placed first in the original oratory division of the contest at Bryan Adams Tournament.

CONCERT CHOIR C

The Concert Choir of Thomas Jefferson is an organization with a double goal. The choir's first desire is to give pleasure to the various groups for which it performs. These groups include the Dad's

Club, P.T.A., and Rotary Club. The major project of the music department this year has been Oklahoma, a production which added to Jefferson's growing reputation for Spectacular performances.

Always an organization easily recognized in its bright columbia blue and cardinal red West Point Dress, the Thomas Jefferson Marching Band is surely the most cheerful looking and sounding band in the world. Led by Drum Major David Winn and directed by Mr. Rálph Utley, the band performs at all football games and many civic functions. Representing Thomas Jefferson commendably, the band performs at the Christmas parade downtown. Along with the Drill Team, the band won first place in the city-wide Band and Drill Team half-time Competition. The band also affords the student body much enjoyment with its annual Band Concert.

Jefferson's outstanding drill team, the Reb Belles, has completed another successful year. Under the direction of its sponsor Miss Hardy, the drill team became well known for intricate dance routines, the performances at athletic events, parades, and civic organizations, and the annual

Cotton Bowl festivities. The highlight of the season was winning the city-wide competition of bands and drill teams. The year was completed by the annual banquet in March and the annuancement of the new officers and managers in May. Thomas Jefferson is exceedingly proud of the Reb Belles.

NATIONAL DEFENSE CADET CORPS ____

The National Defense Cadets Corps has as its mission the training of young men in intelligent citizenship and leadership through orderliness, precision, and self-respect. The corps has been quite active this year, as it has rendered valuable service in ushering at the athletic events both at the Cotton Bowl and at Jefferson functions, and in directing

such school activities as the monthly fire drills. Socially, the corps enjoyed the Military Ball in April; spring brought the Military hayride and dance. In competition, Jefferson fared well, as the Drill Team won 3rd place at Arlington. Summer always brings a trip to Camp Dallas, as will again be offered this year.

THE BOARD OF ADMINISTRATION

The difficult task of administrating the many and varied activities of the Dallas Independent School District rests upon the capable shoulders of those pictured here. It is due to their foresight in the planning for an expanding community of students, their sensitivity to the needs of the child as an individual, and their sense of obligation to the building of democracy through its future citizens, that the Dallas school system has been adjudged one of the most successful in the country.

THE SCHOOL BOARD

Since 1884, the Dallas Independent School District has been under the direction of a Board of Education, composed of civic-minded citizens elected to serve without remuneration to supervise the education of the youth of the community as completely as possible. The School Board controls the budget, contracts for building and expansion of the educational plants, participates in national educational programs, and studies the needs of the child in relation to the community itself. Dallas has been extremely fortunate in having many capable governing bodies, such as the one pictured below, to direct these activities.

Lest to right: R. B. Gilmore, R. L. Dillard, Jr., Van Lamm, Mrs. Tracy H. Rutherford, Vice-president; Dr. Edwin L. Rippy, President; Dr. W. T. White, Superintendent of Schools; Franklin E. Spafford, Mrs. Vernon D. Ingram, Rouse Howell, W. A. Blair.

RICHARD E. STROUD, Principal -

At Jefferson, if we fulfill the classic aim of education, Mens sand in corpore sano, the achievement is due largely to the perceptive leadership of our principal, Richard E. Stroud, Well aware of the growing tendencies toward specialization, he is none-theless dedicated to the belief that the student should be offered a well-rounded liberal arts curriculum if he be best equipped to cope with the problems of our challenging world. Certainly we are fortunate to have his "Classic Approach" at Thomas Jefferson.

TORBETT W. CROFT

Assistant Principal

Our popular and able assistant principal, Torbett W. Croft, carries on his demanding duties, both administrative and scholastic, with such patience and quiet efficiency that he is particularly well liked by both students and faculty.

EDITH COOPER

Dean

The wide range of duties of the dean's office, which range from attendance to counseling to advising upon the school's social life, are managed by our dean, Mrs. Edith Cooper, with apparent ease and amazing calm.

THE COUNSELOR

Erma Nell White

A vital asset to student life at Thomas Jefferson is the attention offered to each person by the counselor. Miss Erma Nell White. With amazing efficiency she manages to talk with the students about their impending careers, help them choose the college they will attend, and aid in various scholastic problems.

THE NURSE Mrs. Elizabeth Childs

Mrs. Elizabeth Childs, Thomas Jefferson's school nurse, keeps various charts on growth rates and physical handicaps of the students. One of her numerous duties consists of playfully poking thermometers in the mouths of students, who are disposed to flu-bug symptoms before tests.

THE SECRETARY

Ruby Fae Angell

A tribute to the efficiency of our high school, the Office Staff at Thomas Jefferson operates daily, quietly, with great effectiveness. Each of these ladies remains patiently waiting to aid the students in all the problems they encounter during a school day. Hearing tardy excuses, and matching lost lunch sacks to the right students are only a few of the tasks necessary to the competent running of a high school which the office staff accomplishes.

OFFICE STAFF

STAFF: Mrs. Helen Lawrence, far left, is of tremendous importance as Assistant Librarian; Mrs. Geraldine Anderson, Mrs. Velma Templemeyer, Mrs. Elizabeth Higgins, and Mrs. Ann Morrow are responsible for keeping the dean's office running smoothly.

그리고 SCIENCE 크리고드

The science program at Thomas Jefferson is composed of courses in biology, physics, and chemistry, as well as two advanced courses, one in physics and one in chemistry. Advanced chemistry classes consist of seniors who have had a previous year of chemistry and plan a science major in

college. This course may either give the student advanced placement or credit in college chemistry. The accelerated physics course was developed as an introductory college course, and employs theoretical physics rather than the usual course taught in applied physics.

PERMATICS

Thomas Jefferson boasts an extremely broad program in its mathematics department. The usual courses in algebra, geometry, and trigonometry are available as well as accelerated courses from the sophomore through the senior year. After the senior student in an accelerated class completes an introductory course in calculus and analytical geometry, he may, in some colleges, take an advanced placement exam and begin college with courses of higher mathematics.

press himself and to evaluate the expression of others is the aim of the English Department at Thomas Jefferson. The English curriculum is equally as thorough as that of the math and science since it is felt that an ample foundation of literature and grammar are prerequisites for the well-educated individual. Thomas Jefferson is proud of its accelerated classes in the English Department. In these classes students are offered a wide program of study in literature and grammar as well as an opportunity for creative expression.

To present a knowledge of social, economic, and government problems is the goal of the history department at Thomas Jefferson. For the first time a semester of Civics is a required course for seniors. Other interesting one-semester electives are Texas History, Problems in Democracy, English History, Spanish American History, and Economics. The curriculum of the lower classifications includes the subjects World History and American History.

EFOREIGN LANGUAGEI

The foreign language department offered at Thomas Jefferson consists of courses in Latin, French, Spanish, and German. Toward this end classes through the fourth year are offered in Spanish, Latin, and French.

Foreign language in a student's scholastic program should contribute to a considerable extent toward the stimulation of a more cultured attitude, and an understanding of people around him.

FINE ARTS DEPARTMENT

From plays and musicals to exhibitions and concerts, the Fine Arts Department at Thomas Jefferson aspires toward the creative expression of the students. During the course of the year the Music, Art, and Speech Departments presents several major productions to the public and student body.

The major efforts of the Fine Arts Department this year included the Senior Play, Oklahoma, Band Concert and participation in various speech contests. Taking part in these productions is one of the most popular extracurricular activities at Thomas Jefferson.

INDUSTRIAL ARTS DEPARTMENT

Two branches compose the industrial arts department at Thomas Jefferson: the industrial arts and the commercial courses. The industrial arts courses offered are wood, metal, and electric shop, as well as architectural, mechanical, and technical drawing. Commercial courses include typing, shorthand, and bookkeeping. The purpose of these courses is to offer the student practical training for the world in which we live.

PHYSICAL EDUCATION DEPARTMENT

Healthy interest in the welfare and safety of the student is the main purpose of the Physical Education Department at Thomas Jefferson. In addition to the usual basketball, baseball, and football programs, courses in driver's education and first aid are also offered. A special period each day is devoted to students who compose Thomas Jefferson's athletic teams.

OUR EXCHANGE STUDENT,

Γ.

We are very pleased to have with us at Jefferson this year Inger Thomson, from Malmo, Sweden, as our exchange student. At her home she attends Slottssbadens Laroverk, where she has two years left before her graduation. She lives in Dallas with the Donald Lewis family, and comes to all the Jefferson activities. The exchange of ideas and the opportunity for Inger and for us to learn how other peoples live has surely proved a very rewarding enterprise on both sides. We have enjoyed Inger's friendly smile and glowing manner and have indeed considered her a most fortunately-chosen representative of her country.

Jalie, noticed your in the hall always raw your good-looking latter and friendly smile. I enjoyed breing your friends

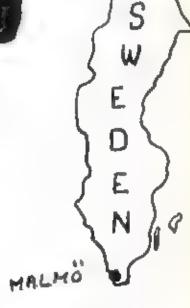

I want to thank you for a wonderful year at T. J. It's been such an exciting experience ever since T.J.'s greeting committee met me at the plane on the 20th of August at two o'clock in the morning. Your Texas friendliness made me feel at home at once.

Graduation will mean that I have to go back, but I will remain a member of the 1960 class and I will always remember the faculty, the students and all the activities at Jefferson. I have got so much out of my year here. Now I know that all Texans are not cowboys.

I'm looking forward to seeing you all over in Sweden.

FOOTBALL—'59

Facing a hard schedule with only seven returning lettermen, the Rebels finished the year with a record of two wins and seven losses. Jefferson played good football against some of the top teams in the state and showed great improvement as the season drew to a close. The squad will have more experience next year and with the able coaching and usual potential of athletic material, the future looks brighter for the Rebels.

JEFFERSON vs HILLCREST

ROCER HALL

Dallas, Texas, October 9, 1959-Jefferson turned back several Panther bids in the first half, but were forced to give ground in the second, as they lost, 32-0. Early in the game Hillcrest drove to the six but an inspired Rebel defense held firm. The determined Jeffersonians drove to the Hillcrest nineyard line twice; however they were stopped short of the goal each time.

Dallas, Texas, October 15, 1959—The Rebels took advantage of their opportunities but lost to Bryan Adams, 20-14. Jefferson's first tally came late in the second period when the Cougars fumbled a quick kick attempt on their own four-yard line. A quick pass put six points on the board. Early in the fourth period the Rebels blocked a Bryan Adams punt and recovered on the ten. A slash inside right end netted another six. The final score came on a safety late in the period.

Dallas, Texas, October 30, 1959—Jefferson upset the Wildcats, 8.0, for their first victory in three district starts. During the first three quarters the Rebels showed powerful defense, turning back one Woodrow threat from inside its own ten-yard line. Early in the fourth quarter, Jefferson capitalized on a fumbled quick kick and took advantage of the two points rule to gather eight points.

JEFFERSON vs NORTH DALLAS

Dallas, Texas, November 5, 1959 — The Rebels gathered 430 yards total offense to swamp North Dallas, 38-8. Their second straight win gave Jefferson a tie with Bryan Adams for third place in zone. Scoring in every period except the second the Rebels held North Dallas to a lone touchdown. A rebuilding Jefferson team served notice that Confederate money might be worth its weight in gold next year.

Dallas, Texas, November 13, 1959 — Jefferson wound up the season with a two won-three lost record in zone after dropping their final game to the Spartans, 34-0. The Rebels exhibited the same fine spirit they had shown all season but Samuell was too close to the championship to be stopped.

Dallas, Texas, September 4, 1959 — Last year's quarter finalists put a damper on the debut of an inexperienced Jefferson team. Showing an explosive Wing-T attack, the Highland Park Scots managed to subdue the Rebels, 34-0. Although out scored, the Rebels were not out fought and, at times, gave fans a promise of better things to come.

Dallas, Texas, September 11, 1959—In spite of great improvement, the Rebels lost to Waco, 14-0. Severely crippled by penalties, Jefferson fought to hold its own against a larger and more experienced Waco team. In the last half the scrappy Rebels held the Tigers scoreless, but were unable to cross that elusive goal line themselves.

Dallas, Texas, September 18, 1959—Jefferson lost a tough one to the Bisons, 14-13. Rated three touchdown underdogs, the Rebels took the opening kick-off seventy-five yards in eight plays to seize the lead. Late in the third period they tallied again and the scoreboard read Jefferson 13, Sunset 6. But four minutes deep in the fourth period Sunset launched a devastating passing attack and the Rebels lost a heartbreaker.

The Rebs swept up the non-perishable remains of the defeated Wildcats. Top scorer of the night was Dave Somerville with 33 points. Jerry Wade played a fine defensive and offensive game, scoring 11 points. Larry Hays and Dexter Marble helped deliver crushing blows to the Wildcat bunch, scoring 10 points apiece.

PANTHERS PULVERIZED, 52-45; 60-49

The mighty Rebs enjoyed their first victory over the tough Hillcrest quintet this season. Jerry Wade led the powerful Rebel defense which kept giving the Panthers a tough time throughout the entire game. To overcome the 27-19 deficit at halftime, the Reb defensive machine went into gear with an exhausting, but effective man-to-man defense.

Before a crowd of 4,000 at the SMU Coliseum, the high-flying Rebels crippled archrival Hillcrest and grabbed the Zone championship for the second straight year. The tremendous Rebel power was displayed by Steve Ellis, Dexter Marble, and Larry Elsey. These fired up Juniors responded to the cry for blood when Somerville felt a defensive clamp from Frank Bumstead. No such impediments were going to stop the bulldozing Rebels, however, and the Panthers were left in the cold.

The Rebel Cagers lost the first of the city playoff games to an inspired South Oak Cliff squad. The accurate outside shooting and strong driving of the Bears proved to be the undoing of the Rebs. Dexter Marble and Dave Somerville both scored in double figures with 19 and 12 points respectively.

The Reb's last game of the season, played at the Dallas Memorial Auditorium, pitted them against the respected South Oak Cliff squad in a do-or-die situation. Dave Somerville, the Jeff's "satin-handed" senior, kept the Rebel cause going for the first half with his 19 points scored in the first 11 minutes. Jerry Wade and Dave Somerville tied it up 39-all at the end of the third quarter. However, the Golden Bears managed to gain a small lead and win by a 2-point margin.

With seven lettermen returning from last year's team, the Rebel baseball prospects are bright, indeed. The pitching staff, headed by Orville Hudson, and aided by Mike Ricci, Sam Carpenter, Bobby Fain and Allen Steckler, should be ably supported by the veteran outfielders Donnie Crowder and Steve Robertson. Veteran infielders Jim Story and Ellery Robinson will also back up the staff. To help make the team a strong contender this season are some boys who are new to our school, such as Howard Henslee, Jimmy Westbrook and Albert Henry. HERCULES AND

One of the labors of Hercules was

to slay the nine-headed Hydra.

Whenever he chopped off

a head, alas,

two new ones appeared in its place.

But Hercules,

who was never very good at arithmetic,

grew weary of this jazz.

THE HYDRA

and cleverly built a blaze

under the monster. This was the first

fire hydra.

Then he put the blood

of the beast

on his arrows to poison them,

and made this adventure

Mr. Paul Baker, assisted by Juan Gurrola, has a hard time deciding.

Oh no! Where does it show?

Nervous, sweetie?

THE BEAUTY JUDGING

"How DO you address the Secretary of War?" Says Mary Lou Beaird, Friday night Mirium.

"He's such a NICE boy!" Friday's Mother and Father, Barbara Hill and Bert Mackaman discuss the hero.

"Upstairs, young Lady!" Saturday's Judge limm; Gsell orders Beverly Brown off as Suzy Mars and Pat Kogin dramatize (ham it up?)

SENIOR PLAY

"DEAR RUTH"

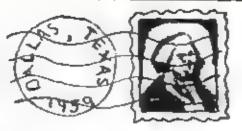

"Now . . . Bill!" Friday heroine Martha Meyercord fends off hero Ray Norton.

Norton registers sad look as Ann Bonnick and LeRos Hull take fatal plunge.

JEFFERSON DOES IT AGAIN!

Another spectacular hit the boards at Thomas Jefferson this spring as the Concert Choir presented Rodgers and Hammerstein's famous musical, "Oklahoma." As usual, the annual's deadline prevented complete coverage of the production itself, but as preparation for any such enterprise goes on throughout the year, we are able to present a small preview of the attraction on these pages, illustrating Our Motto: "Extravaganzas extraordinary, or else!"

REDDY-MADE MAGIC FOR YOUR FUTURE

There's plenty of magic in your future, thanks to Reddy Kilowatt! Cooking meals fit for a king is just one of the "elec-tricks" Reddy already performs with ease. Just as easily he can wash your clothes, mow the lawn,

TV, radio or stereo — and do dozens of other things that once were chores.

But Reddy has even more exciting things in store for you, for the future is electric. Plans for new ways to live better, electrically are on the drawing board now — and every day, research and development are going on to create new miracles with electricity. You can be sure — there's a wonderful world ahead for you, full of Reddy-made magic!

Owens, Ray

"Whose house shall we paper tonight?"

There are more things in heaven and earth, Horatio, than are dreamt of in your philosophy . . . (or, how the heck does this stage work?)

"Tackle the man with the snow ball."
